

## Instructions for Completing this Form

Form 2 must be completed and filed with the BAO within **90 days** of your fiscal year end, or **180 days** if you are required submit a compliance audit.

Operators can now submit the Form 2 – Report on Care and Maintenance through the OBIS portal at:

<https://portal.thebao.ca/SignIn>

### Care and Maintenance (“C&M”) Trust Fund/Account Requirements

- Unless the regulations provide otherwise, every cemetery operator who sells, assigns or transfers interment rights or scattering rights or who permits the interment of human remains or the scattering of cremated human remains in the cemetery shall have a care and maintenance fund or, if the regulations permit, a care and maintenance account.
- Income earned from the investment and reinvestment of money paid into the care and maintenance fund/account must be used to maintain, secure, and preserve the cemetery, including its grounds, buildings, structures and markers and the equipment used to maintain, secure and preserve the cemetery.
- **The use of capital (including realized capital gains) in the care and maintenance trust fund/account is strictly prohibited unless approved by the registrar.**

### Care and Maintenance (“C&M”) Contribution Requirements

The two charts below set out minimum required C&M contributions amounts. C&M contributions must be deposited to your trust fund/account within **60 days of receipt**. Do not send C&M trust money to the BAO. “Selling Price” means the price (excluding HST) of the interment/scattering right, shown on the price list at the time of purchase. The selling price should include the C&M amount.
